Nurse Staffing Analysis

This page examines nursing staffing levels in relation to facility occupancy and resident population.

Providers	Avg Nurse Hours	Avg Nurse Hours / Resident	Avg Occupancy
14622	275.3	3.36	78.6%
Employee Nursing Hours	Contractor Nursing Hours	Permanent / Contractor H...	Contractor Hours %
352,716,...	28,329,425	12.45:1	7.4%

Permanent / Contractor H... represents Permanent / Contractor Hours Ratio; It's calculated using employee nursing hours and contractor nursing hours; this is an hours-based ratio, not a staff headcount ratio.
